Quoted Prices

Orders may be subject to federal or state taxes. Prices and terms subject to change without notice, and all orders subject to acceptance by MAMMOTOME. Products are billed at prices prevailing on the date the order is received by JJHCS.

Delivery

F.O.B. origin (freight and insurance prepaid) within Continental United States, Alaska, and Hawaii. For orders less than \$1,000, a \$90 fee applies. Please consolidate orders for smaller items such as probe guides and canisters with larger items such as probes to avoid the \$90 fee. If orders are placed electronically on JNJGateway, no minimum order fee will be assessed. Expedited transportation is available as a value-added service for an additional cost. JJHCS terms, conditions, policies, and charges in effect at the time the order is placed will govern.

Payment Terms

Net 30 days.

Returns

Contact your MAMMOTOME Sales Representative for all returns. Capital equipment and reusable instruments that are unused and saleable must be returned within 90 days of purchase date. All other saleable products must be returned within one year of manufacture date. All saleable returns will receive 90 percent credit (10 percent restocking fee applies). All product returns that require repackaging are subject to a 30 percent redressing fee. Policy subject to change without notice.
